

## Sample of Expert Consensus

### Title Page

**Title:** Sample manuscript showing style and formatting specifications

**Author names:** First Author<sup>1</sup>, Second Author<sup>2</sup>, Third Author<sup>2</sup>, Fourth Author<sup>1,2</sup> / Expert Consensus working Group<sup>1,2</sup>

#### Affiliations:

<sup>1</sup> Department, University Name, Province/City, Country

<sup>2</sup>Company Name, Province/City, Country

**Correspondence:** Fourth Author, Department of ----, Unit, No. ---- Street, District, City, Province, post code, Country. Tel: xx-xxxx; E-mail: xxx@xxx

**Conflicts of interests:** None.

### Abstract

The abstract must reflect the main message of the paper.

### Keywords

continuing nursing, after Miles' operation, self-care skill, quality of life, healing of stoma

### Main Text

Zentime

- **Introduction/Background**
- **Expert Consensus**
  - Defining and standardizing concepts, terminology and measurements, for example naming astronomical bodies, defining disease categories and defining physical measurements.
  - Agreeing on priorities, for example setting research priorities and allocating scarce resources.
  - Setting methodological standards, for example creating hierarchies of evidence in medicine and setting standards for research designs such as clinical trials and systematic reviews.
  - Judging quality of scientific outputs, for example peer review of grants and manuscripts, and checklists for judging quality of studies and reviews.
  - Making value judgements, for example ethical standards and best practice codes.
  - Agreeing on scientific facts.
- **Summary**

## Sample of Expert Consensus

### Acknowledgements

This work was supported by XXX.

### Author Contributions

XX, XXX, XXX contributed to the conception of the study;

XX, XXX, XXX performed the experiment;

XX, XXX, XXX contributed significantly to analysis and manuscript preparation;

XX, XXX, XXX performed the data analyses and wrote the manuscript;

XX, XXX, XXX helped perform the analysis with constructive discussions.
